It is the students responsibility to:

- provide correct contact details when enrolling to ensure Northcote Pottery Supplies can provide confirmation and up to date reminders
- to check email folders for confirmation and reminders
- to know the class dates and attend class
- Work will take approximately 2-3 weeks to fire after class finishes, students have up to month to collect their work. Uncollected work is donated to a local charity
- To ensure that student doesn't have any prior medical illness or injury that will be exacerbated by attending the selected class, and if unsure to seek medical advice, or discuss the condition with a staff member at Northcote Pottery Supplies before enrolling.

Bring: YOUR OWN TOWEL AND APRON TO CLASS. This is especially important for wheel throwing courses and workshops.

Courses (multiple sessions): Course fees include one bag of clay, decorating materials, firing costs and tuition for the course. Extra clay will not be available during courses, it is strongly recommended that clay is reclaimed and students are critical with the work they choose to keep so that the clay does not run out. When collecting work after the completion of the course please bring your own box and packing materials.

Workshops (one and two day): Workshop fees include materials required for the workshop and tuition. Firing is included in workshop fees, unless otherwise stated in the workshop outline. Work is to be completed during the allocated workshop time. By removing class work from the class the student agrees to pay for firing and materials outside of the workshop fee.

Clothing: All course and workshops are hands on, please wear appropriate clothing (that you are prepared to get dirty!), covered shoes are essential.

Firing of work: We take extreme care with your work but accidents do happen and we are unable to guarantee that all your work will be successfully fired.

Work created: Work will take approximately 2-3 weeks to fire after class finishes, students have up to month to collect their work. It is the students responsibility to arrange collection within this timeframe. If work is not collected within this time it will be disposed of or donated to a local charity to make space for the next term's courses.

Returning students: Students who are returning to the next term are eligible for a free weekday Studio Access session valued at up to \$35. Students must provide proof of enrolment in the class at time of claiming the studio access.

Parking: Angle parking is available across the road from Northcote Pottery Supplies. Paid parking is available on Weston St at the Tip Top CarE Park. Be careful not to park in time limited spaces as inspectors regularly parole the area.
